ESEA composite index score	65.4	Up from 49.1	79.6	85.3

* Length of contract = 185+ days.

** Prior year audited financial data available.

EVALUATION RESULTS

	Teachers
Number of surveys returned	44
Percent satisfied with learning environment	93.2%
Percent satisfied with social and physical environment	97.7%
Percent satisfied with school-home relations	83.7%

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Edisto Primary constantly strives to be a place of nurturing and learning for young students. The administration, faculty, staff, volunteers, parents and community members work together to help students achieve excellence and academic success. The school has received accreditation for the past forty-two years through the Southern Association of Colleges and Schools. Edisto Primary is a Red Carpet School winner.

The educational program of the school has been strengthened through instructional literacy and math coaches who provide professional learning group collaboration which offers times for teacher reflection and new learning in the areas of instruction and assessment. Every certified teacher participates on DATA TEAMS. Attention to small-group instruction, hands-on explorations and student engagement has enhanced the school's focus on the growth of young readers, writers and thinkers. Students are aware of their always changing reading level and are directed to books which give them opportunities to practice reading strategies and move to the next level. They are involved in discovery learning through the use of science kit materials and math manipulatives. The addition of an interventionist has proven very beneficial to students and helps to complete the RTI model of the school.

MAP (Measures of Academic Progress) assesses kindergarten through second grade students through on-line testing. The data generated by this assessment is used to design instruction on individual and small group instructional levels. The addition of this tool has helped facilitate improvement in reading, writing, math and language.

Monthly "Spotlight on Success" nights, math game nights, grade level programs, newsletters, regular family conferences and home visits have strengthened the partnership with parents and other community members through connection and improved communication between the school and the wider community. Continual improvement in this area is an on-going focus of the school.

The combined primary and elementary School Improvement Council continues to enhance the school relationship between the community, parents, children, and staff with more SIC sponsored activities. Projects includes but is not limited to collecting Campbell's Soup labels, Box Tops for Education, donation of books to all children, and SIC incentives for children and teachers.

The school continues to use the Positive Behavior Intervention Support model. Edisto Primary continues to face the challenges of improving test scores and student attendance as well as motivating students to achieve to their fullest potential in all areas. These are challenges which we willingly and confidently embrace as we boldly lead our young students into their future.

Susan A. Zeigler, Principal Dr. Steve Preast, SIC Chairperson
